## EXPERIENCE

---

### Co-Founder

*Foresight Systems* · Full-time

Jun 2025 to Present

*Melbourne, FL (Remote)*

- Co-founded a systems-analysis startup, establishing its technical and operational infrastructure from the ground up.
- Lead early pilot engagements, translating client requirements into working systems and iterating on feedback.
- Own architecture, deployment, and day-to-day delivery across the stack.

### Professional Musician

*Freelance* · Part-time

Jun 2025 to Present

*Melbourne, FL (On-site)*

- Perform live acoustic fingerstyle guitar at venues and private events across Central Florida.
- Manage booking, performance preparation, and brand presence through [prestonhuntermusic.com](https://prestonhuntermusic.com).

### Expo & Server's Assistant

*Restaurant* · Part-time

Aug 2021 to Aug 2022

*Brevard County, FL (On-site)*

- Coordinated plated orders between the kitchen line and service floor during high-volume shifts.
- Supported servers with guest requests, table resets, and quality checks to keep service on time.

## EDUCATION

---

### Florida Institute of Technology

*Bachelor of Arts, Literature*

Aug 2023 to May 2027

*Melbourne, FL*

### Satellite Senior High School

*High School Diploma*

Aug 2019 to May 2023

*Satellite Beach, FL*

## SELECTED INTERESTS

---

- **Aviation.** FAA-licensed private pilot flying out of Sebastian Municipal Airport (X26), pursuing advanced ratings.
- **Engineering.** Designed and built [prestonmalmquist.com](https://prestonmalmquist.com) with Next.js, React, and Three.js, including a custom starfield visual.
- **Music.** Ongoing study of fingerstyle arrangement and live performance craft.
